

Dear Friends,

I'd like to pull you into a brief look back at the recent 30th anniversary celebrations of restored Diaconia ECCB.

Some of you were there at the beginnings and have closely watched the restoration efforts of Diaconia since 1989, the fall of communism in the Czech Republic.

This is how our thirtieth year was celebrated - We sang, clapped, listened and laughed! Over 260 people were present at Salvator Church.

Founding Fathers and the Mother of Diaconia were given the Word.

*(K.Schwarz, M.Erdinger, E.Grollová, Z.Bárta, P.Vychopeň)*

Photos from the history and the present of Diakonia were selected for this occasion and projected. Church songs were accompanied by a professional orchestra of the Church Music Academy.

Marco, a client of our sheltered housing, composed a poem for the Diaconia anniversary.

Ladies from Senior Home in Krabčice revealed that they have only few men in the Home and only one can dance.

An absolutely perfect and a rich banquet was fully in charge of the sheltered workshop Klobouky. They prepared and replenished the tables for us beautifully.

Even if you missed the celebration, you are invited to write your thirtieth anniversary wishes and memories into a memorial book at <https://diakonie30.cz/prani/>. We will be happy to share your thoughts with others. Thank you.

Diaconia ECCB is grateful for your support. Greetings to you all, Lucie Slamova
